Jump in!

to the best vacation ever!

Houseboat vacations are perfect to reconnect with family and friends... every generation will find something that resonates with their idea of a really fun vacation. Whether you're a first-time visitor or one of our returning guests, we look forward to seeing you out on the water.

CHOOSING THE RIGHT *Rental for you!*

Lake Don Pedro and Pleasure Cove Marinas offer one of the largest selections of rental houseboats in the United States. We have a houseboat to suit your adventure style and vacation budget! Picking the right houseboat can sometimes be a daunting task, particularly for those who are new to this unique vacationing experience. Lake Don Pedro Marina offers 6 different models, and Pleasure Cove Marina offers 4 different models of houseboats, all with their own features, sizes and costs. And, we're pet friendly!

EASY PILOTING

Operating a houseboat is easy and no previous houseboating experience is required. Before you set out, our experienced captains give you a lesson on the operation of the boat. They drive everyone in and out of the marina. If you have any questions, we are just a phone call away.

EQUIPPED TO THE MAX

Suntex Marinas in California are proud to offer the best equipped rental houseboats anywhere. These are truly luxury boats designed to give you the experience of a lifetime.

BUDGET

There are a few different factors to consider here, and the first thing that must be said is to set the budget and stick to it. No matter how fun the week is on a pricier rental, you'll be kicking yourself after it is over when you are juggling finances to accommodate a bigger expense than you planned for.

That doesn't mean you shouldn't shoot for the houseboat you really want. If you're dying to try out a newer luxury model or you want to extend your vacation by a few more days, just check out the pricing available during different times of the year. Perhaps tweaking your vacation schedule means you can add on a few more days or enjoy a houseboat with more amenities.

MULTIPLE BOATS

In some situations, one houseboat just isn't enough. Perhaps you have two families that would just prefer their own privacy or you've got just a few too many people that you don't know what to do with. Multiple houseboats could be the way to go. Plus, with the multi-boat discount you'll receive, the final cost may work out better than just one larger boat.

There is a lot to consider when choosing the right houseboat! If you have any questions, we are happy to answer them for you.

One final thing, remember to make your reservation early, so you are able to reserve the houseboat you would like, for the time period you desire.

AMENITIES

All of our houseboats are stocked with bed linens, towels and kitchen utensils. Some amenities are only found on certain models. For example, only a few of our upper tier boats have satellite TV* on board. Want a hot tub on your boat to fit your whole crew? Our hot tub can hold up to 6 people.

Other amenities you may wish to have may include dishwashers, party tops, or a fly bridge. Evaluate the needs of your crew and compare your list with all the features offered on our houseboat amenities chart on page 29.

SIZE

Do you have a few people or a boatload of family and friends vacationing with you? Choosing the right size of houseboat will depend on the amount of sleeping areas needed. Check out the recommended sleeping capacity first, keeping in mind how comfortable your guests are with sharing. If privacy is key for comfort, consider a bigger model with more rooms.

TRIP-PLANNING Tips

So you're planning a houseboat vacation and your crew is striking out somewhere new onboard a fabulous houseboat rental! Pulling together a houseboat trip is an absolute blast, but if this is a new type of vacation for you, here are a few helpful tips.

Triple-check the list of what's already supplied on the houseboats so you don't waste space bringing things you don't need and—even worse—forget things that aren't provided. As an extra, bringing your own pillows can sometimes help you feel more comfortable and sleep better at night.

Renting in a group? Try coordinating among yourselves so you only bring so many sets of sun lotion, aloe vera, hair dryers, etc. You really don't need fifty extras of supplies like this on-board, and it'll save that much more space for everyone.

If you're bringing along little kids, help keep them feel comfortable by not forgetting that special blankie or toy. It'll add a nice homey touch to an exciting but strange place and can help the kiddos relax a little better, especially at nighttime.

Be real about your wardrobe. Will you really be wearing more than swim shorts and a t-shirt for most of your vacation? As a general rule of thumb, trim that suitcase down.

If your group is into music, don't forget to check out whether your rental has a docking station and what devices would be compatible.

Choose your travel crew wisely. Remember, you'll be brushing elbows with these people for a good couple of days, and there aren't too many places to retreat to when you're sharing a full houseboat!

Bring lots of favorite board games, electronic games, books, and movies for those rare down time moments. There's so much to do on the lake, it seems like you'll never have down time.

But after dark or when the afternoon sun may be too hot in the middle of the day, it's nice to have backup activities to keep yourselves entertained and enjoy your vacation just a little bit more.

Whether you're looking for the adventure of a lifetime, a great package for corporate outings, or want to immerse yourself in the stillness of nature— explore one of Napa County's little gems and see what Pleasure Cove has to offer!

For Campground Reservations, Please Call 1-707-966-9600. If you enjoy camping, Pleasure Cove Marina is perfect for taking advantage of all of Lake Berryessa's recreational opportunities. There are 140 tent and RV sites feet from the shore of Lake Berryessa. Bring your RV and get comfortable in either a full or partial hookup space, or reserve a single or double tent site.

Set your camp chair beneath the shade of an oak tree and get lost in the novel you have been meaning to read or with the antics of the resident wildlife. Fish from the bank and have fun catching crappie, blue gill, large and small mouth bass or a really big catfish!

Light up that campfire and get toasty warm while toasting marshmallows with the kids.

Splash on the shoreline and float your cares away on your favorite floaty.

Visit the marine store for any last minute things you may have left at home, or our tips on delicious camp cooking, area things to see and do or to setup a boat rental for the afternoon.
