Welcome

Thousands of satisfied houseboaters visit State Dock each year. It's no wonder - we offer a unique vacation experience found nowhere else. We don't rest on our laurels though. We want to give back to our customers by making ongoing improvements to our fleet. This year alone we have many upgrades on several of our models including new mattresses and linens, upgraded laminate flooring, new entertainment centers... and much more. Come see why State Dock is the premier houseboating destination!

HOUSEBOATING
with friends and family on
Lake Cumberland, Kentucky
will provide countless
memories to last a lifetime!

CHOOSING THE RIGHT *Rental*

All of our houseboat models feature private staterooms, central air conditioning, ranges, microwaves, refrigerators, grills, GPS units, stereos, coolers, outdoor furniture, water slides and TVs. They're also stocked with fresh sheets, blankets, towels and kitchen utensils for your convenience.

WE ARE PET FRIENDLY!

BUDGET

There are a few different factors to consider here, and the first thing that must be said is to set the budget and stick to it. No matter how fun the week is on a pricier rental, you'll be kicking yourself after it is over when you are juggling finances to accommodate a bigger expense than you planned for. That doesn't mean you shouldn't shoot for the houseboat you really want. If you're dying to try out a newer luxury model or you want to extend your vacation by a few more days, just check out the pricing available during different times of the year. Perhaps tweaking your vacation schedule means you can add on a few more days or enjoy a houseboat with more amenities.

MULTIPLE BOATS

In some situations, one houseboat just isn't enough. Perhaps you have two families that would just prefer their own privacy or you've got just a few too many people that you don't know what to do with. Multiple houseboats could be the way to go. Plus, with the multi-boat discount you'll receive, the final cost may work out better than just one larger boat.

There is a lot to consider when choosing the right houseboat! If you have any questions, we are happy to answer them for you. One final thing, remember to make your reservation early, so you are able to reserve the houseboat you would like, for the time period you desire.

AMENITIES

All of our houseboats are stocked with bed linens, towels and kitchen utensils. Some amenities are only

found on certain models. Want a hot tub on your boat to fit your whole crew? Our hot tub capacities range from 8 to 12 people. Other amenities you may wish to have may include clothes washers and dryers, dishwashers, party tops, or a fly bridge. Evaluate the needs of your crew and compare your list with all the features offered on our houseboat model pages.

SIZE

Do you have a few people or a boatload of family and friends vacationing with you? Choosing the right size of houseboat will depend on the amount of sleeping areas needed. Check out the recommended sleeping capacity first, keeping in mind how comfortable your guests are with sharing. If privacy is key for comfort, consider a bigger model with more rooms.

EASY PILOTING

Operating a houseboat is easy and no previous houseboating experience is required. Before you set out, our experienced staff will give you a lesson on the operation of the boat. They drive everyone in and out of the marina. While on the lake, just ease into the bank and tie off. If you have any questions along the way, we are just a radio call away.

EQUIPPED TO THE MAX

State Dock is proud to offer the best equipped rental houseboats anywhere. These are truly luxury boats designed to give you the experience of a lifetime.

PLANNING TIPS:

At first glance, taking a boat this size out on the water can be intimidating. Let us walk you through a few things about a houseboat vacation to ease your mind and explain exactly what it is. Houseboating is a unique way to get close to nature while still having all the comforts of home.

BRINGING A GROUP?

Try coordinating among yourselves so you only bring so many sets of sun lotion, aloe vera, hair dryers, etc. You really don't need fifty extras of supplies like this onboard, and it'll save that much more space for everyone.

BRINGING THE KIDS?

Help keep them feel comfortable by not forgetting that special blankie or toy. It'll add a nice homey touch to an exciting but strange place and can help the kiddos relax a little better, especially at nighttime.

If your group is into music, don't forget to check out whether your rental has a docking station and what devices would be compatible.

Choose your travel crew wisely. Remember, you'll be brushing elbows with these people for a good couple of days, and there aren't too many places to retreat to when you're sharing a full houseboat!

Bring lots of favorite board games, electronic games, books, and movies for those rare down time moments. There's so much to do on the lake, it seems like you'll never have down time.

But after dark or when the afternoon sun may be too hot in the middle of the day, it's

nice to have backup activities to keep yourselves entertained and enjoy your vacation just a little bit more.

What people are saying...

WHAT A WONDERFUL HOUSEBOAT COMPANY!

YELP REVIEW, July 1, 2019

The customer service was excellent. They were responsive, answering our questions before we reserved our boat and sending us a welcome packet. When we arrived at the marina, we were impressed by how quickly we were greeted by staff to get us on the boat and valet our car. The houseboat (the escape) was easy to maneuver and was comfortable for 6 people. The slide and hot tub were lots of fun. The lake was absolutely beautiful for swimming - warm and clear. Highly recommended!

AWESOME EXPERIENCE!

TRIP ADVISOR REVIEW, September 2021

Group of 10 spent a week on a houseboat and all have agreed that we are coming back next year. The Houseboat (#802) was clean and spacious. Nice gathering areas on the lower level in the living room/kitchen area and a nice covered deck at the front of the boat. The upper deck had a hot tub, bar and a dozen or so layout lawn chairs. We also had an Aloha series tritoon with a 150HP motor. If this thing had wings it may have flown. We had no problem keeping up with other boats on the lake. I was so impressed with the sound system on the pontoon that I bought the same system for mine. The real stars of our vacation were the workers at State Dock. They went above and beyond to make our trip exceptional.
